### Service requested:

Creation of a Large-Scale 3D Art Installation

Design and construction of a 3D artwork featuring the 'Big Five' African animals (Elephant, Rhino, Lion, Buffalo, and Leopard) partially emerging from a wall panel with dimensions of 3 meters x 3 meters.

### Key features:

- The animals should be rendered in a highly realistic manner, set amidst a naturalistic bush-like environment.
- Each animal should be equipped with a built-in sensor and speaker system, triggering an authentic sound effect when touched.
- The artwork should be designed for easy mounting and installation.

### Total Cost

**K 151,025.00**

We look forward to hearing from you on this unique and engaging project.

### Terms: 60% deposit with order

Thanking you.
